17th Annual

Shoe Memorial

December 6th is **Canada's National Day of Remembrance and Action on Violence Against Women**, and **UFCW Local 247** is once again needing your help to collect shoes for the event.

With your help we will remember and honour the 1000 + women and girls that have been killed by violence in BC. We will have their names on display, and each of their lives represented by a pair of shoes.

The visual impact of so many shoes, with each representing a Mother, a Daughter, or a Sister, that has lost her life from violence, and is no longer walking amongst us, has made a difference in the attitudes and reactions of the public since the 1st Shoe Memorial.

But **women and girls are still dying** needlessly!

So again we are collecting shoes and building our Memorial at the Vancouver Art Gallery. Our goal is "**that the names of the victims should never be forgotten.**"

After the memorial all shoes are given, both directly and indirectly, to women in need.

Working collectively we believe we can have a greater impact.
