### SENIORS' SERVICES:

#### **Better At Home.....604-946-9526**

Deltassist Better at Home supports seniors to continue living independently in their home by providing drives to medical appointments, light house-keeping, basic yardwork, basic home maintenance tasks and grocery shopping programs. Fees for services (excluding Grocery Shop Program) are on a sliding scale based on income, which may include free services for low income seniors, if subsidies are available. To qualify for the Better at Home program, seniors must be 65 years of age or older, live in Delta and facing vulnerabilities that prevent you from maintaining independence in the home such as low income, increasing frailty, social isolation or being a member of an underserved, equity deserving group.

#### **Better at Home Drive Program**

Volunteers provide seniors with transportation to medical, dental and wellness appointments. The cost for this service is based on the distance of the trip. Parking fees are the responsibility of the senior.

#### **Better at Home Light Housekeeping Program**

Housekeeping services are delivered by a contracted Home Support Agency. Cleaning supplies must be provided by the senior. Housekeeping may include: vacuuming, washing dishes, cleaning counters, mop floors, clean bathroom, change linens, dusting and laundry (if time allows, only if in suite or close by).
